Content and community specialist with three years in crypto and Web3, moving between writing, social growth campaigns, and creator-team management for exchanges including MEXC, Bitget, and LBank. Comfortable owning a project from content angle to publication to the data behind it.

EXPERIENCE

Content Writer (External Writer) - LBank Exchange

Jul 2025 - May 2026

- Invited by LBank's content manager to contribute as an external writer, with articles published under my own byline.

Assistant Manager, TikTok Team - Bitget

Jul 2023 - Nov 2024

- Managed a roster of 15 aspiring crypto content creators based in Nigeria, shaping content angles and direction for 2-3 videos per creator per day.
- Grew creator accounts from 0 to 5,000-10,000 followers, with videos averaging 5,000-10,000 views each.
- Compiled and passed along creator performance data used by the manager to process monthly payouts.

Content Writer - MEXC Global - Creator Program

Feb 2023 - Jul 2023

- Wrote articles for MEXC's Creator Program, a paid initiative inviting crypto enthusiasts to publish under their own name.
- Named Author of the Month multiple months in a row, a recognition decided by reader engagement on published articles.

Senior Team Manager - MEXC Global

Oct 2022 - May 2023

- Led a 20-person team building social media exposure for MEXC ahead of new token listings, coordinating mentions across project communities.
- For each new token listing, mapped out a project's community across Telegram, Discord, Reddit, Quora, and other platforms, then assigned team members to specific channels to work in.

EDUCATION

Bachelor of Science in Civil Engineering

Southern Mindanao Colleges, College of Engineering - Graduated August 2024
