

Recommendation Letter

To whom it may concern,

I am writing this letter to express how proudly I am to recommend **Razel Jade Hijastro**. I have had the pleasure to work with him, and have been consistently impressed with his diligence, commitment, efficiency, organization skill, and the ability to get things done.

He has worked for me in a community marketing role. In this role, he has shown great understanding on how to market a product/service by community. For example, he was able to create marketing results and exposure for the company by creating knowledgeable, interesting and interactive content in English.

According to his team mates, he is keen towards learning, he accepts and handles feedbacks from his supervisor very well, and most importantly, he has shown good trading analysis skills.

All in all, I strongly believe that a candidate like Razel would be an excellent addition to your company.

Feel free to reach out to me at alexwongduhou@mexc.com if you have any inquiries.

Sincerely,

Yours sincerely,

MEXC Global community marketing team
